WILLIAMSBURG.

It is reported that another new bank will be established here in the near future.

Dr. J. W. McGarvey, of Lexington, will preach at the Christian church here next Sunday.

Last Friday a three-year-old child of Mr. and Mrs. Ben Taylor climbed up to the mantle and took a sip of carbolic acid from a bottle it found there; then told its mother that it had taken a dose of medicine, but it never spoke afterwards and died the next day in great agony.

Last Saturday the Republicans of this county held mass meetings in every voting precinct to elect precinct chairmen. A hot contest was waged all over the county. Money was used freely as it was really a Hunter and Edwards contest. It is said that a great deal of money was sent here from London.

R. F. Stealy and Geo. W. Parker, who have been attending a medical school in Louisville, are now at home for the spring and summer. There are about twenty young men of this county who are studying either medicine or dentistry. So there will be no delay in having teeth and graves filled on short notice.

About ten o'clock Monday night the depot at this place burned with nearly all its contents. A few things in the express office were saved. The origin of the fire is a mystery, as it began on the back part of the freight room where there was no stove, but it is believed that some one had dropped a live cigar stub or cigarette.

Nellie, aged five, had her photograph taken recently, and when the proof was sent home, her mother said she looked too solemn, and asked why she did not smile. "I did smile, mamma," said Nellie, "but I guess the man forgot to put it down."

There is more CATARRH in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address F. J. CHENEY & CO., Toledo, O. Sold by all druggists, 75 cts. Hall's family Pills are the best.

LEVEL GREEN.

Much fear is entertained by the peach crop which had promised to be so abundant, only now and then we get a crop; but apples are the best anyway.

Well, I see "Thorne County" is dead, and all such should die in the shell, and "Beckham county" should be relegated to the shades of "eternal silence" by the Supreme Court. Such empty honors cost too much. Our law-makers too often "strut out the gnats and swallow whole camels," in order to pile superfluities on some one no more deserving than hundreds of others who are never thought about only at taxpaying. It indeed makes much difference as to whose "ox is gored" and whose "hoss eats at the public crib." This forcibly reminds me of an eccentric uncle I once had. A friend called on him at midnight (he lived in town) and finding him alone said: "Where is your wife, uncle Billy?" "She has gone down to the church where preachers and everybody else have to meet to pray for the President, Congress and other rulers and big men of earth, but never a d—d word will they pray for a poor man." Although we are professed Christians, principally, in Kentucky, yet lots of Phariseism remains in the world yet.

It does seem that is our party is not badly enough disorganized in national issues that such men as Watterson, Bryan, John Whalen and others will soon fix it. Now if the newspapers and the "big men" of our party will just "shut up" until after the St. Louis convention is over, and let the "great common people" nominate a candidate, harmony will prevail throughout and we will nominate and elect a good man and — well, just give us one chance. If we could only get out a large number of candidates for Congress in 10 of the 11 districts at an early day this would help mightily also in the way of harmony. Ain't the republics having a big time in the 11th. Cum Shoe is waiting patiently for Parker, Edwards and White to shake down the simmons and then he'll step in, pick it up and quietly tote it off. Three of these will run the race to a finish, and the 4th will also run if it is thought and believed that his candidacy will help Hunter—just wait and note my prediction. Why sir, you had as well try to stop the waves of the deep blue sea as to try to beat Gummy. He'll get the nomination. Didn't John D. Bust a big bomb in the camp at Somerset? Flieg in more, Johnny.

We are indeed pleased to see a column from the pen of the former brilliant writer from Crab Orchard. We hope s—he will contribute regularly for we spent many pleasant days in that little city, and formed many acquaintances of whom we love to think and hear, and especially among the children; but many of those whom I knew and loved to be with, yea, many indeed both old and young, in the short space of four years have crossed the dark stream. How sad it makes me feel to think this over.

But death has done a powerful work in this part since then also. There is but one man living near us who was born here that has lived out the allotted "three score and ten." How fast the population of our cemeteries does increase.

We should all remember that "but one thing is necessary and that Mary chose the better part."

Very respectfully,
BUCK VARNON

April was named from APRIL (the open) the season when buds open and ushers into life all that makes the world beautiful.

JOHN D. CARROLL.

A CANDIDATE FOR APPELLATE JUDGE OF THIS DISTRICT.

Hon. John D. Carroll, of New Castle, one of the best known lawyers in the State, has announced as a candidate for Appellate Judge in this District, subject to the action of the Democratic party. Mr. Carroll's friends—especially in the legal profession—have for a long time desired to see him on the bench of the highest court in the State. He has held several offices of trust and honor, and in all of them acquitted himself with credit. When quite a young man he served two terms in the Legislature; was a member of the Constitutional Convention, and one of the three commissioners appointed by the Governor to revise the statute laws of the State to conform to the changes made by the constitution, and was for three years chairman of the Democratic State Central Committee. He is the editor of Carroll's Kentucky Codes of Practice, and Carroll's Kentucky Statutes, law books that are in general use and that may be found in the office of every lawyer in the State. A man of high integrity, great industry, with an extensive and accurate knowledge of the law, and in the prime of life, his large circle of friends believe he would make a splendid judge.—[Trimble Democrat.

A GREAT SENSATION.

There was a big sensation in Leesville, Indiana, when W. H. Brown of that place, who was expected to die, had his life saved by Dr. King's New Discovery for Consumption. He writes: "I endured insufferable agonies from Asthma, but your New Discovery gave me immediate relief and soon thereafter effected a complete cure." Similar cures of consumption, pneumonia, bronchitis and grip, are numerous. It's the peerless remedy for all throat and lung troubles. Price 50c. and \$1.00. Guaranteed by all druggists. Trial bottles free.

Quite a High Priced Man.—"I'll give you a position as clerk, to start with," said the merchant "and pay you what you are worth. Is that satisfactory?"

"Oh! perfectly!" replied the college graduate, "but—er—do you think the firm can afford it?"

MAKES A CLEAN SWEEP.

There's nothing like doing a thing thoroughly. Of all the Salves you ever heard of, Bucklen's Arnica Salve is the best. It sweeps away and cures burns, sores, bruises, cuts, boils, ulcers, skin eruptions and piles. It's only 25c. and guaranteed to give satisfaction. Sold by all druggists.

QUAIL.

J. L. Davis is improving slowly from his hurt received some weeks ago.

John Cress was in this section last week hunting cattle and purchased only two of Tart Proctor.

The storm of Friday night blew the roof from Lee & Broughton's sawmill together with the smoke stack.

Corn is worth \$3.00, in this part; hogs, from 3 1/2c. to 4c. and plenty for sale; cattle low, several to sell and few buyers.

G. W. Owens sold a mare at \$55. —Lee Morris sold a horse to Larkin Hicks for \$80.—Wm. Dowell sold to George Hicks 5 110-lb. hogs at 3 1/2 cents.

Winfred Sweeney arrived Monday from Indiana. We expect to have more to tell about him next week, as he has been expected in our section for some time.

Gillis Craig is numbered with the sick.—T. C. Hamm is on the sick list.—Mrs. John Craig is improving slowly.—Mrs. G. W. Brown is now reported very low.—Mr. Willis Sowder continues to grow worse. This report shows a great deal of sickness in the vicinity of Quail.

John Stringer, Jr., and Elmer Logsdon, both about 16 years old, left their homes a few days ago and went into the mountains. Young Stringer has returned but Logsdon has not made his appearance up to this time. We think the boys would do well to settle down at home and cease running about for a while at least.

Well, we see there is to be a very hard examination this year and if that be followed up in years to come together with the 6 months term, the common schools undoubtedly will be placed on a higher degree. All the schools of this section are under promise for the year, which, we think, is a wise act upon the part of the trustees, as they are relieved of the burden of being harassed by teachers and the teachers know just what to depend upon so you see its best for all.

THE BEST FAMILY SALVE.

DeWitt's Witch Hazel gives instant relief from burns; cures cuts, bruises, sores, eczema, tetter and all abrasions of the skin. In buying Witch Hazel Salve it is only necessary to see that you get the genuine DeWitt's and a cure is certain. There are many cheap counterfeits on the market, all of which are worthless, and quite a few are dangerous, while DeWitt's Witch Hazel Salve is perfectly harmless and cures. Sold at Chas. C. Davis' drugstore.

CONWAY.

Measles are still raging in this neighborhood.

Rev. Mills, of Lexington, preached to a rather small but appreciative audience here this week.

Farmers are very much behind with their work on account of the wet weather.

J. J. Wood has returned from the cities where he has been to purchase a spring stock of dry goods and notions.

Judge Chenault of Richmond was here this week on business.

We had a severe wind and rain storm here Friday night of last week doing considerable damage to fencing, hay stacks, fruit trees, &c.

Jim Wood received a letter from Col. Geo. H. Dobinson, of Baltimore, Md., this week making some inquiries about his oil field here. Col. Dobinson yet believes there is oil in this section and we hope he may return soon and look further for the valuable grease.

The storm of last week broke the telephone line between this place and Wildcat so we can not get a message out now. The General Manager Mr. Bostin, of Lancaster, promises to put the wire on poles instead of trees in course of 60 days and probably run on from Conway to Mr. R. E. Moyes' store in Seaford Cane. We assure you when Mr. Bastin and Jim Maret get the line fixed to their notion this time will be no more break downs there.

In London there is one licensed drinking place to every 436 inhabitants.

Young Plants

Every farmer knows that some plants grow better than others. Soil may be the same and seed may seem the same but some plants are weak and others strong.

And that's the way with children. They are like young plants. Same food, same home, same care but some grow big and strong while others stay small and weak.

Scott's Emulsion offers an easy way out of the difficulty. Child weakness often means starvation, not because of lack of food, but because the food does not feed.

Scott's Emulsion really feeds and gives the child growing strength.

Whatever the cause of weakness and failure to grow—Scott's Emulsion seems to find it and set the matter right.

Send for free sample. Scott & Bowne, Chemists, 400 Pearl St., New York City, and \$1.00; all druggists.

The prices of mules are holding up well and there seems to be a constant upward tendency in the markets, the prices ranging all the way from \$125 to \$175 for good ones. Owing to the demand from Russia and Japan and the additional demand growing out of the construction of the Panama canal by the United States, this would seem to be a fine time to raise mules for the market.

With the closing out of a line of 20,000,000 bushels of May wheat Wednesday, at Chicago, the Armour people brought to a close the most remarkable wheat deal on record. It is estimated the deal netted those interested between \$1,000,000 and \$5,000,000. President J. J. Valentine, of the Armour Grain Company, is authority for the statement that one of "tailors" cleared \$600,000 on his line. The deal had been on since last November, when the prices of May and July were in the 70's. The price of May advanced to \$1.09 1/2, and the price of July to 99 3/4, an advance of 30 cts. on May and 25 cts on July. It is estimated that the profits on the entire line of 20,000,000 bushels was about 20 cts. For a long time it seemed a permanent advance was impossible, but the bull pool held on, and all at once came the report of scarcity, war in the East, increase and activity in the flour business and consequent speculation.

Mt. Sterling Court. The Advocate says: "About 3000 cattle on the market. The quality with one or two exceptions, was common. Trade was fairly brisk and there was a good many buyers here wanting cattle, but there was no stock to supply the demand. April court will likewise see a big demand for cattle and we think our friends in the mountains who have cattle to sell will do well to bring them here for sale on that day. The best 1,000-lbs. cattle sold at \$4.25, but they were good; lighter weight steers at \$3.75 to \$4; yearlings at \$3.75 to \$4; heifers at \$3 to \$3.50; fat cows, at \$3 to \$3.50; bulls at \$2 to \$2.75. Good crowd at the pens and the demand would have taken 1,000 to 1,200 cattle. The demand for horses was good and a good many sold. Plugs, at \$50 to \$75; medium horses at \$50 to \$110; some good ones at \$125 to \$175. No fine horses sold. Mules were in fair demand and sold at shade higher than last court. There was a few 16-hand mules of good weight; owners were asking \$200 and buyers were offering \$175 to \$180; a few sold. 15 1/2-hand mules at \$125; small mules at \$75 to \$100. A good many sold during the day. Among the sales were the following: Ten good 960-lb. steers, at 4 1/2 cts; 13 600-lb. yearling steers, at \$3.85; 4 950-lb. fat cows, at 3 1/2 cts; some 1,200-lb. bulls, at \$2.60; 15 700-lb. yearling steers, bringing \$32.50 each.

Cash Given Away to Users of LION COFFEE

We are going to be more liberal than ever in 1904 to users of **Lion Coffee**. Not only will the Lion-Heads, cut from the packages, be good, as heretofore, for the valuable premiums we have always given our customers, but

In Addition to the Regular Free Premiums

the same Lion-Heads will entitle you to estimates in our \$50,000.00 **Grand Prize Contest**, which will make some of our patrons rich men and women. You can send in as many estimates as desired. There will be

TWO GREAT CONTESTS

The first contest will be on the July 4th attendance at the **St. Louis World's Fair**; the second relates to **Total Vote For President** to be cast Nov. 8, 1904. \$20,000.00 will be distributed in each of these contests, making \$40,000.00 on the two, and to make it still more interesting, in addition to this amount, we will give a **Grand First Prize of \$5,000.00** to the one who is nearest correct on both contests, and thus your estimates have two opportunities of winning a big cash prize.

Five Lion-Heads cut from Lion Coffee Packages and a 2 cent stamp entitle you (in addition to the regular free premiums) to one vote in either contest:

Printed blanks to vote on found in every Lion Coffee Package. The 2 cent stamp covers the expense of our acknowledgment to you that your estimate is recorded.

BOBBED THE GRAVE.

A startling incident, is narrated by John Oliver of Philadelphia, as follows: "I was in an awful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite, growing weaker day by day. Three physicians had given me up. Then I was advised to use Electric Bitters; to my great joy, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they robbed the grave of another victim." No one should fail to try them. Only 50c. guaranteed, at all druggists.

A young Englishman was being driven past a promising looking Irish bog the other day and inquired of his jockey if there were any snipe in it. "Is it shnipe, sorr?" was the reply. "Shure, and if yez wait in widout a gun they'd ate yez."

Your Heart

May Be Weak. One Person in Four Has a Weak Heart.

One of the surest signs of a weak heart is shortness of breath after exertion. Your heart is not able to pump the blood fast enough to your lungs. Some of the other symptoms of Heart Trouble are: Pains in the Side, Back and Shoulder; Fainting or Weak Spells; Dry Cough; Swelling of Feet and Ankles; Cold Feet or Hands. No one can afford to allow a weak heart to go without medicine, because weak heart means poor circulation, and poor circulation means weak lungs, stomach, liver, kidneys, etc. If, therefore, you suspect heart trouble, begin taking Dr. Miles' New Heart Cure. The Heart Cure will do you good, as it is a splendid tonic for the blood and nerves, and will revitalize your entire system. Finally, remember, Dr. Miles' New Heart Cure is sold under a guarantee that the first bottle will do you good. If it doesn't—your money back.

"I was afflicted with heart trouble for three years. I would be apparently all right, and without a moment's warning would fall as though shot. The attacks were frequent, and a terrible dread possessed me as never known when or where, nor under what conditions I would be attacked, and whether I would survive them. I consulted and was treated by some of the most eminent physicians of the state. Not finding relief from this source, I began taking Dr. Miles' New Heart Cure, and began to improve at once. I used ten bottles, which entirely cured me, as I have not had an attack for five years."—MRS. JOHN DRESBACK, Elsie, O.

WANTS HIS ASHES SCATTERED OVER WATERS OF OHIO

Louisville, March 28.—The most unique will ever probated in this city is that of C. M. Strader, a former resident of Louisville, who died in Philadelphia. The will directs that after his death his body shall be cremated and the ashes placed in a vessel and brought to this city and then scattered on the waters of the Ohio river.

The will further directs that Humphrey Stader, of 2430 Cypress street this city, a nephew of the dead man, be appointed to carry out the provisions of the will.

The ceremony will take place on the Big Four bridge at midnight, March 31. About a dozen friends have been invited to witness the strange ceremony. Mr. Strader was a colonel in the Confederate army during the civil war. He was an infidel.

Mother—I don't hear the canary singing this morning, Nannie. Is he in a good humor?

Nannie—No, mamma. I think he's in a pet.

Mother—You do?

Nannie—Yes, the Persian cat swallowed him.

Ascum—What do you want with a safety pin?

Farsyte—to fix my suspenders.

Ascum—Don't be so stingy! Why don't you buy yourself a new pair.

Farsyte—I hate to; it's getting so near Christmas. I always get at least four pairs then.

LIVER TROUBLES

"I had Theford's Black-Draught, a good medicine for it or disease. It cured my liver after he had up at 50 with doctors. It is the medicine I take."—MRS. CAROLINE MARTIN, Parkersburg, W. Va.

If your liver does not act regularly go to your druggist and secure a package of Theford's Black-Draught and take a dose tonight. This great family medicine frees the congested bowels, stirs up the torpid liver and causes a healthy secretion of bile.

Theford's Black-Draught will cleanse the bowels of impurities and strengthen the kidneys. A torpid liver invites colds, biliousness, chills and fever and all manner of sickness and contagion. Weak kidneys result in Bright's disease which claims as many victims as consumption. A 25-cent package of Theford's Black-Draught should always be kept in the house.
